You may have to register before you can post: click the register link above to proceed. To start viewing messages, select the forum that you want to visit from the selection below. Maybe just happened to be next to him and he finally started to respect rookies. Maybe he was just calling out the fact that they got what he had coming to them since he would never get them in the league. I'll try to get back to him after he retires. It's his job to hate on the rookies. He has to be respected. He's stuck in the past and obviously hates new and young players. That's the only way he can survive in this league. I'll try to get back to him after he retires. It's his job to hate on the rookies. He has to be respected. He's stuck in the past and obviously hates new and young players. That's the only way he can survive in this league. Yes, it's his job to hate rookies but I think he will realize at the end that nobody respects him more than the rookies. That's why he's such a great motivator for them. to use in the study of gas- and vesicle-encapsulated molecules. We emphasize that the Q-NMR experiments used in this study should be considered as being performed under complete thermal equilibrium. However, we point out that we have

---

not studied the trapping of molecules inside vesicles whose properties are drastically different.
